

## Find the Right Aetna Doctor or Facility

You can locate a doctor or facility through Aetna's **Find a Doctor Online Directory**. Find a Doctor is updated six times a week. Please call your provider to confirm their participation.

Click the direct link to the network you are interested in:

[Aetna Value Network HMO \(AVN\)](#)  
[HMO](#)  
[OAMC & OAMC HDHP](#)

1. Once you have clicked the above network, make sure the same plan is listed on the top left of the screen below and enter the required fields.

Searching by: **Aetna Value Network HMO**

**Already a member?**  
Not registered with Aetna yet?  
[Login to Secure Site](#) [Register Now](#)  
**Why Register?**  
You will be able to find all your coverage information online when you need it.  
**Searching as a member is better**  
You Can:  

- Get results for your plan
- View cost estimates
- Select a primary care doctor

**Continue as a guest**  
Enter a 5-digit zip code, city, state, or county  
  
**Look within**  
25 Miles  
0 Miles 100 Miles  
[Search](#)

Enter a 5-digit zip code, city, state, or county to begin looking for a provider

2. Click "Medical Doctors & Specialists"

**Find what you need by category**

|                                                                                                                                |                                                                                                                             |                                                                                                                              |                                                                                  |                                                                                                                                 |

3. Click “All Primary Care Physicians” and the provider listing will appear.

What are you looking for?

 **Doctors (Primary Care)**  
Primary care physician (PCPs), family practice, pediatrician, others

---

[All Primary Care Physicians »](#)  
A doctor who provides both the first contact for a person with an undiagnosed health concern as well as continuing care of varied medical conditions.

---

[Adolescent Medicine Physician »](#)  
A physician who provides care to children as they develop from a child to an adult.

---

[Family Practice Physician »](#)  
A physician who is educated and trained in family practice.

---

[General Practice Physician »](#)  
A medical doctor who treats acute and chronic illnesses and provides preventive care and health education to patients.

4. Your provider listing will include specific providers currently accepting your Aetna Health Plan. You must call and check with the provider before scheduling your appointment or receiving services to confirm if he/she is still participating in Aetna’s network.

**\*\*Important: use the 6-digit Primary Care ID on the employee application.**

5. To print your provider directory, click “Print a Provider Directory”
