Your Ability to Earn an Income May Be Your Most Important Asset

Most people don't think twice about insuring their home, automobile or health. However, many people don't recognize just how important it is to insure their income.

We've Got You Covered

As an active employee of WAEV, Inc, you have access to a disability income insurance policy from United of Omaha Life Insurance Company.

A lengthy disability can be devastating, and is more common than you might think. It may lead to a loss of income, independence and financial security.

A disability income insurance policy can help provide security when you need it most. It pays you cash benefits when you're sick or hurt and can't work.
